

Building Certifier/Chartered Surveyor

Enjoy career advancement and opportunity for growth matched with a tropical lifestyle with Islands and reef on your doorstep.

\$80,000 - \$130,000 p/a Negotiated Package

At The Building Approval Company we believe in *"A better built environment for all"*. Our entire team strive to deliver on that belief daily from our two busy offices in Cairns and Townsville. If you think you are as passionate as us about great buildings and are looking for new challenges in an established but growing business, then this could be the role for you.

Regional cities are at the forefront of Australia's economic development and provide the perfect combination of liveability, diversity, economic potential, and career opportunity. If you would you like to earn above market rates working in our brand-new Townsville office with a team who are passionate about what they do then you should apply. Do we need to mention the tropical islands on your doorstep?

The Company:

We like to be known as the go-to firm that delivers peace of mind, empowering our clients to build great buildings. We invest heavily in our business to ensure we use the best available people and technology to continually improve our compliance system to deliver easy-to-work-with solutions. We appreciate the value of teamwork whilst delivering our individual goals.

The Position:

We are looking for a motivated building certifier to join our growing team helping to deliver some of the Far North's most exciting projects.

We are seeking someone who is licensed or eligible as a QBCC Building Surveyor to undertake building certification work in tropical Townsville and surrounds. You will be supported by our experienced administration team; knowledgeable and enthusiastic cadets and our existing team of highly experienced certifiers all of whom are generous with their knowledge and time.

Requirements of the Ideal Candidate

- Relevant qualifications for the position of Building Certifier.
- Knowledge and experience with legislation, regulations, codes, and standards including: Building Act 1975, Building Regulations 2006, Building Code of Australia and the Planning act 2016.
- Exceptional interpersonal skills and an ability to speak openly and honestly.
- Dependable and a "can do" attitude.
- A team player and the ability to work with precision and accuracy in a systematic and logical manner.
- Be well presented and demonstrate great customer service skills.
- Happy to travel.
- Be teachable.
- Solutions focused and self-motivated.
- Must have current Qld driver license.

THE
BUILDING APPROVAL
COMPANY

Why should you apply?

- A wide variety of work in a busy office.
- Excellent opportunities for professional development.
- Interstate relocation costs and company vehicle will be negotiated with the successful applicant.
- Opportunity to work in a friendly and supportive team environment.
- ISO certified systems that are mobile and easy to use.
- Over 300 days of sunshine and tropical Townsville living that is second to none.
- Work in a thriving regional area with world class educational facilities; leading health care; affordable housing; great dining and entertainment topped off with world heritage rainforest, tropical islands, and the Great Barrier Reef.
