

Water Supply Connections – Additional Details

Plumbing and Drainage Act 2002 / Water Supply (Safety & Reliability) Act 2008

The intent of this form is to obtain further information not captured on the Plumbing and Drainage Act 2002 form: *Form 1 - Compliance assessment application for plumbing, drainage and on-site sewerage work (Form 1)*. Please answer as fully as possible all the details requested on this form to ensure a complete submission is provided to Council and to assist in preventing delays with your application.

Incomplete forms, or forms without all necessary information and documentation, will result in your application being delayed.

Please complete this form and return it to Council with:

- Form 1 – Compliance Assessment form
 - Plans detailing the proposed works, including location of meter/s and water supply pipework
 - Any applicable supporting information identified on the form
 - The fee as stated on Council's Form PDA1 and as listed in the Fees and Charges
- (For other fees not listed, please refer to Council's website for more details: www.douglas.qld.gov.au)

NB. Domestic connections are installed with a standard size 20mm service. Larger services may not be available at your location. Installations up to a distance of 6 metres from the water main are included in the fee. For any non-standard works, an estimate should be obtained from Council and the standard/minimum fee paid prior to any works commencing.

To: Chief Executive officer, Douglas Shire Council
