

Building Certifier/Chartered Surveyor

Offering a generous salary, a great team, flexible working conditions in an expanding business with excellent systems and the opportunity for career development combined with a tropical North Queensland lifestyle.

\$80,000 - \$130,000 p/a Negotiated Package commensurate with qualifications and experience.

At The Building Approval Company, we believe in “*A better built environment for all*” and our entire team strive to deliver this from our two busy offices located in Cairns and Townsville. We provide building certification on a range of projects across numerous LGAs.

The Company:

We like to be known as the “go-to” firm that delivers peace of mind to our clients whatever their project. We understand the need to invest to ensure we have the best available people, and technology, to continually improve our compliance system and deliver easy-to-work-with solutions. We appreciate the value of teamwork whilst completing our individual goals. Our clients appreciate our solutions focus.

The Position:

We are looking for a motivated Building Certifier to join our Townsville team and help deliver some of the Far North’s most exciting projects.

Someone who is licensed, or eligible as a QBCC Building Surveyor, to undertake building certification work and mandatory inspections. Role support is provided by our experienced administration and certification teams all of whom are generous with their knowledge and time.

Requirements for the Role:

- Relevant qualifications for the position of Building Certifier.
- Knowledge and experience with legislation, regulations, codes, and standards including: Building Act 1975, Building Regulations 2022, Building Code of Australia and the Planning act 2016.
- Ability to use a range of the latest technology.
- Exceptional interpersonal skills focussing on honest and open communication.
- Dependable and proactive attitude.
- A team player who works with precision and accuracy in a systematic and logical manner.
- Be well presented with great customer service skills.
- Happy to travel.
- Be teachable and have a willingness to participate in funded personal development opportunities.
- Solutions focused and self-motivated.
- Must have current Queensland driver licence.

Why should you apply?

- Fully flexible working conditions including working from home and flexible working hours.
- An exceptional team.
- A diverse workload.
- Excellent opportunities for funded professional development.
- Interstate relocation costs and company vehicle will be negotiated if required.
- ISO certified systems that are mobile and easy to use.
- Tropical Townsville living that is second to none.
- Work in a thriving regional area with world class educational facilities; leading health care; affordable housing; great dining and entertainment topped off with world heritage rainforest, tropical islands, and the Great Barrier Reef.

Interested? Let's talk.

Salary packages negotiable based on experience and qualifications, and we are happy to negotiate for the right candidate.
